

President for FAPAC

OLIVIA F. ADRIAN

BACKGROUND

I am currently serving as Chief, Contract Support Section and as a Supervisory Program Manager for the US Department of the Interior (DOI), Bureau of Safety and Environmental Enforcement (BSEE), Office of Offshore Regulatory Programs (OORP) that is responsible for regulatory, safety, environmental and conservation compliance for the development of the nation's offshore oil and gas resources. The functions of BSEE/OORP include regulation, enforcement, permitting, inspections, safety management, environmental compliance and enforcement, and safety research. I am Level 3 Certified Contracting Officer and Program Manager with over 25 years' experience in acquisition professional; responsible for managing and overseeing research contracts that produces reports and findings for use in management decisions on policies and regulatory changes concerning US Outer Continental Shelf oil and gas operations. Also a certified Diversity Change Agent for DOI representing BSEE.
